**WBS: Changing Lives**

What can we do to change the world for Christ? World Bible School (WBS) is an effective ministry which utilizes average church members like you and me to teach the gospel to people around the world through interactive correspondence by email or postal mail. “How could that change someone’s life?” you might ask. Listen to these words from Rusare, a WBS student in Zimbabwe, East Africa.

*I’m one of the individuals who got changed through the WBS courses. Due to crucial and unpleasant situations which I’m still experiencing as a young person, I grew up with severe depression, ran away from home, and tried to commit suicide at least four times. But by God’s grace and love, I’m still alive and strong.*

*I am succeeding in this change because WBS helped me understand the day-to-day Scriptures of the Bible and implement goals as a Christian in changing my life. I am planning on teaching and changing other people’s lives to be brighter.*

To volunteer with WBS, contact Bob McMillan, the deacon who coordinates our WBS ministry here. Let God use you as an instrument to change lives.
