Facility Security

Over the past several months, we have been in discussion with the Sheriff's Department, Granbury Police Department, and a church security firm on how to provide a safe worship environment. Many of their ideas are now in place.

The main recommendation will require everyone's cooperation and patience. Beginning today, all exterior doors will be locked at the beginning of the worship service, except for the main entrance facing Pearl St. You will still be able to exit from every door.

We recognize this may be an inconvenience, and we apologize. Your safety is our utmost concern.

Welcome Mark & Ali Kaiser, our mission partners in

Itu, Brazil!

Mark will be our guest speaker

this morning.

Wednesdays Through November 29 6:30pm in the Worship Center

Prayer Requests:

United in Giving

In John 17, Jesus prayed for believers of all time, that we would be one as He and God are one. A way we can demonstrate that unity is to join our resources together to fund the work of our mission partners around the world as they strive to tear down the barriers of brokenness, poverty, and a lack of knowledge that Satan erects to obstruct belief in the Lord.

The task of reaching the world for Christ can seem so overwhelming, and the amount we can give toward that effort can seem so small and insignificant. We may wonder what difference our meager contribution could possibly make. The following quote reminds us of the power of our unity in Christ.

Individually, we are one drop. Together, we are an ocean.

Today on this Harvest Sunday, may we all pool our drops together to form an ocean of life, "that the world may believe."
