Gateway to Life

Do you ever have a hard time understanding the meaning of something Jesus said in the Bible? That is not unique to us who live in the 21st century. Even Jesus' original hearers struggled at times to understand what He meant, as demonstrated in John 10:6 – "Jesus used this figure of speech, but they did not understand what he was telling them." In response to their confusion, Jesus uses a metaphor to describe Himself: "...I am the gate for the

sheep" (v. 7). A knowledge of first century shepherding practices in Palestine can help us understand the significance of Jesus as the gate.

During the warm season, shepherds stayed out on the hillsides at night with their sheep penned in loosely constructed folds with low rock walls and a single opening with no door or gate. Once the sheep had entered the fold, the shepherd would lie across the opening and sleep there. No sheep could leave and no intruder could enter without stepping over the shepherd. He was aware of every movement going out or coming in and literally became the gate of the fold.

As the gate for His sheep, the people of God, Jesus serves as both the passageway to enter God's sheepfold and the protective barrier against the thief or predator who would try to come in and harm His people. The important thing to remember is that only those who enter through Him have the benefit of His salvation and protection (v. 9). Those who choose to remain outside the fold are also outside the realm of His safekeeping. So today, submit to His leading and enter through Him to receive the abundant life that only He can offer.

Jan Knox
