## **Life Together**

...I pray also for those who will believe in me...that all of them may be one, Father, just as you are in me and I am in you. ... May they be brought to complete unity to let the world know that you sent me and have loved them... John 17:20-23

What does it mean for believers to be one as God and Christ are one? In the words of Jesus above, it involves being "in" each other, to have such intimate relationships that our lives are intertwined with one another. It means that we are a part of each other's daily lives – eating together, serving together, spending time together, living life together. We are there to experience the valleys and heights of life with one another, feeling the pain and joy of our family in Christ as we journey together in the Lord.

This level of unity can't take place in just a couple of hours on Sunday morning. We have to be intentional in seeking out and following through on opportunities to stay connected with one another throughout the week. As we build and strengthen our bond with God's people, we will begin to live out this prayer of Jesus and eventually be brought to complete unity as a testimony of God's love to the world.
