Nursing Home Ministry

One of the blessings of attending church services is the opportunity to connect with fellow Christians and worship the Lord together with one mind, heart, and voice. So when our senior members move into a nursing home or assisted living facility and are no longer able to attend worship services here with us, one of the things they miss most is the fellowship with other believers.

As a way to keep that Christian connection alive, a group of GCOC members goes to Harbor Lakes and Trinity Mission each Sunday to provide a meaningful time of worship for the residents there that includes singing, prayer, scripture reading, devotionals, and communion. Greetings, handshakes, hugs, and love benefit all who come. They look forward to each service, encouraging one another and those who lead the service.

To be a part of this ministry of encouragement, contact James Royse, the deacon who oversees this program. Help restore the Christian connection!
