Service Opportunity: First Responders Lunch

Four years ago this fall, God opened a door for us at GCOC to serve a group of people in our community who are often overlooked and sometimes even despised in our society. As a church, we host a meal at our Christian Service Center each Tuesday during the school year for Hood County "first responders" (law enforcement officers, EMS personnel, firefighters, etc). The lunch is served from 11:00 – 1:00 so they can come whenever they have a free moment and have a safe place to eat and visit with one another. It has been a tremendous blessing for everyone involved.

We are preparing to start back up with the first luncheon on September 3. The meat is provided each week, but we count on volunteers for side dishes and desserts, and help with set-up and clean-up. Volunteers who sign up receive an email each week listing the items needed for the next week's lunch. These items may be anything from a bag of chips to a homemade potato casserole. Details, such as the amount of food to bring, and times and places to drop off food, are given in the email. The volunteers who wish to help that week simply follow the instructions to indicate how they will help. When the sign-up is submitted, the program automatically updates the list of needed items and sends an email to the volunteer confirming the sign-up. An email reminder is also sent two days before the event.

The volunteers choose when and how they will help and are not expected to help every week. If you have never signed up to volunteer with this ministry and would like to receive opportunities to help, you can sign up through the church-wide email that was sent out last week or type *bit.do/gcoc1stres* into your online browser, then open the site and follow the instructions to submit your contact information.

If you have questions about the sign-up process, contact Menielle Donahoo at donahoo3@gmail.com, and for questions about the ministry, contact Joyce Dorsey at (281)782-8880.

Please consider helping with this important outreach to our community!
