## Building Renovation Plans Announced

Exciting things are on the horizon at the Granbury Church of Christ! Two weeks ago, Mark Hackney announced plans to remodel portions of our church facility during the summer, which will require temporary relocation for several activities. The affected areas will include the Worship Center, the Fellowship Center, and the southeast wing of the building (behind the Parlor). Construction will begin soon after Cornerstone Christian Academy dismisses for the summer later this month.

The renovation will also necessitate us joining together for one Sunday morning worship service during the summer months, **beginning next Sunday, May 22**. Please see the schedule below for the new times, locations, and dates for our Sunday morning activities this summer.

Let's join together in a spirit of anticipation and cooperation as the Lord prepares us for the next chapter of outreach and ministry in His kingdom!
