Carter BloodCare

August 14
in the Teen Center,
from
9:00am-Noon

When I was diagnosed with leukemia 10 years ago, I had no idea how important blood and platelets would be in my race with cancer. My first thought regarding the use of donated blood would have focused on the initial need for accident victims, surgery or other traumatic incidents. Certainly not a cancer patient! It didn't take long

for this perspective to change.

I was diagnosed with acute myeloid leukemia in 2005. I learned that chemo shuts down the body's normal process to produce components.

The blood donated at drives like yours bridged the gap for me when my body wouldn't produce it. During these critical times, you were in the trenches with me making sure I had what I needed. Your efforts were live-giving and life-saving.

Thank you for your continued support. You make a difference.

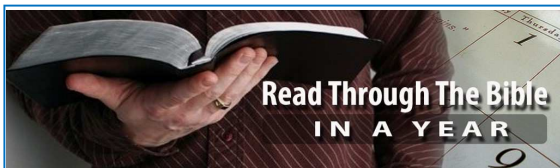

Forever grateful, s/ Dan Armstrong

Wednesday Nights This Summer

Wednesday evenings this summer have truly been a blessing! *Wednesday Summer Praise* begins at 6:30 pm with everyone – adults, teens, and children – coming together in the Fellowship Center for a time to worship the Lord and share stories of faith.

Then following the devotional service, stay for *Sweet Summer Fellowship* as we build friendship ties and enjoy desserts in the Parlor and Fellowship Center. Throughout the summer, our Sunday classes will provide sweets for us to share together as we visit with old and new friends. This week, August 10, is **Ice Cream Novelties**. Come join us as we praise God and fellowship with one another!
